ADVANCED · CHEAT SHEET

The builder's reference

Twelve frameworks for designing, judging, and defending what you build. Tap any tile.

BUILD YOURSELF

M01 · MINDSET SHIFT

System, not session

Anything reused twice gets saved and named.

M02 · LIBRARY

Library hygiene

Name by job, version it, test it, retire stale.

M03-M04 · TWIN

Building your twin

Capture your standards, voice, judgement, banned words.

M05 · INSTRUCTIONS

Instructions that hold

Absolutes over guidelines. Examples embedded. Test under pressure.

BUILD SYSTEMS

M06 · AGENT DESIGN

Agent guardrail

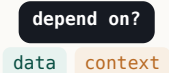

Assembly safe to automate. Action never autonomous.

M07 · BUILD IT

Real agent, end to end

Goal + limits + checkpoints, never a brittle step list.

M08 · JUDGING OUTPUT

The test question

Data combining? Lean tool. Context only you have? Hold ground.

M09 · ORCHESTRATION

Chaining safely
